

GPS Use & Race Course Geometry

BBYRA Member Clubs Race Committee Volunteers

An Introduction to **GPS Use and Race Course Geometry** will be hosted by Coconut Grove Sailing Club on Saturday, November 11, 2017 from 9 am to 1 pm. Class is free and open to all RC Volunteers on the Bay. Class will consist of a morning session at US Sailing Center with practice on the water at CGSC.

Participants are encouraged to bring a GPS to class. Instruction will be based on the Garmin 76 or 72 handheld GPS. Please be sure to register so we have a good count for materials.

Contact Susan Walcutt,
walcutts@bellsouth.net, to register.
